

Audition Information for Matilda

- You may come on either evening to audition; you do not need to come to both.
- You will be asked to sign in and you will audition first come, first served. As soon as you are done auditioning, you are dismissed.
- You will be asked to fill out an audition form which asks you questions about your experience and dates of conflict, so please look ahead and note any conflicts you will have with the rehearsal & performance dates. You may attach a resume and headshot if you have them, but they are not required.
- You can fill out your audition form ahead of time – See Below.
- We are asking all who are auditioning to come prepared to sing and perform a monologue that we have chosen from the show.

Singing Audition: Please come prepared with at least 32 bars of a song (*No more than 1 minute*), to sing from a Broadway style musical. You may sing a song from Matilda, if you wish. We ask that you bring an MP3 karaoke version of your song to play on our Bluetooth speaker. No sheet music is necessary. Please no acapella auditions. Your song lyrics must be memorized. You can find karaoke versions of songs on YouTube, Spotify and Sound Cloud.

Acting Audition: Please chose a monologue and memorize it and be ready to perform it for the directors after your singing audition. You can chose from any of the monologues we have chosen from the show. We are looking for actors who have practiced, are prepared and are memorized in both song and monologue.

Auditioning Tips:

We will ask you to state your full name and the name of the song you are going to sing your memorized song. We know that auditioning is very nerve-wracking and we want you to show us your best, so please know we're there to support you!

After you sing, we will ask you to perform your memorized monologue. Rehearse your monologue as much as you can and add some movement. We are looking for actors who have loud stage

voices, so please be loud enough for the whole theater to hear you!
After you have auditioned, you are dismissed.

We will be having callbacks on Tuesday, January 21st in the evening.
If you are called back, we will notify you no later than Tuesday
morning via email. We hope to have the show cast and notified no
later than Saturday, January 25th. We will notify everyone who
auditioned via email if they have been cast or if they have not.
