## *Steel Magnolias* Opened Friday to a Standing Ovation

*"It's been such a blessing being in this show! Being back in the theatre and going to rehearsals is like a breath of fresh air,"* said actor Paige Latendresse who plays Annelle.

The heartfelt comedy has lots of laughs. It also has a very touching ending that might have you in tears. At intermission, ushers have joked they should be walking through the aisles with boxes of tissues.

*Steel Magnolias* runs March 25 to April 17. Tickets are available online and at the box office.
